5 Things You Should Know This Week: 15 August 2016

Just the latest news in interior design, architecture, and anything home and living to start your week off right

4. Haute Deco's floral-inspired doorknob. Sometimes, it's the details that bring out the beauty of a home. Those who pay attention to the littlest of details can now turn to Haute Déco, a supplier of petals-themed doorhandles. Inspired by the four-leaf clover, which represents hope, faith, love, and luck, the Petals for Decorex is a pretty addition to any space. They're more door jewellery than doorknobs, the company emphasises. Check out the items [here](#).
