L. Tacon Gold by Nomon
 Can't help checking the clock? Looking at Nomon golden collection, you'll turn back time to the 1950s when contemporary classic designs prevailed in the name of elegance. Through a selection of natural wood with matt gold metal finishes, Tacon Gold will captivate you while bringing a vintage feel to your room.

M. Stones Collection by Haute Déco

Is collecting stones a personal passion of yours? If so, this collection will thrill you. Using sandstone, limestone and pumice as materials, the various shapes of the door handle, from the conical knob to the olive-shaped lever handle, has a sole mission: to enthrall every visitor upon entering the room.

N. Lipp Sofa by Living Divani

Fancy a glamorous sofa to laze upon? Pierro Lissoni came up with one that has a backrest and an armrest frame crafted in multi-layered poplar wood, with a choice of fabric or leather quilted upholstery that is removable by zippers. Lipp is determined to pamper us with both comfort and elegance.
