A NEW WAY TO RELAX

The Blue Harbour Health Club and Spa at The Chelsea Harbour Hotel has launched a series of new treatments to keep visitors relaxed and refreshed this autumn. One of these options is the MONU Massage Candle Treatment, where scented candles melt the warm oils, which are then used during the process to unwind tired and stressed muscles. Lasting either 30 or 60 minutes and available in two beautifully scented blends – rose and patchouli (Relax) or grapefruit and lemongrass (Revive) – this is a beauty ritual tailored to your specific needs. Fans of the treatment can even purchase a travel candle in their preferred aroma to relive the relaxation at home.

Prices start from £50, Blue Harbour Health Club and Spa, The Chelsea Harbour Hotel, SW10 0XG, 020 7300 5011 (blueharbourspa.co.uk)

CROWNING GLORY

Over the past year, UK-based luxury garden room specialist Crown Pavilions has been the recipient of several awards at prestigious events, including the RHS Chelsea Flower Show and the Harrogate Spring Flower Show. Little wonder, then, that the pavilions, wooden gazebos and bespoke outdoor buildings have been called 'beautifully constructed', 'top notch' and the 'defining architectural focus of the garden' by satisfied clients. Every Crown Pavilion garden room is hand-made to order by the company's own craftsmen, using the finest materials and time-honoured techniques, and is meticulously hand-checked before leaving the workshop.
