At Interiors & Sources, it's our job—and honor—to showcase the latest and greatest products in the commercial interior design industry. As readers of our magazine—those who live the industry day in and day out—you know these products best.

And you told us—loud and clear, and for the first time, via Facebook—about your favorites. The seventh consecutive year of our Readers' Choice Awards had some extremely tight races, and mudslinging was kept to a minimum! For that, we thank you.

We also want to thank you for taking the time to vote. You can look forward to more comprehensive product coverage from Interiors & Sources in 2016. Until next year!

### BEST DETAILS+DECOR

Haute Deco's range of handles called Sensation, features bronze, patterned elements encapsulated in varying shapes of crystal resin, creating an ethereal, mystical effect.
