Haute Déco

December 26, 2018

Haute Déco introduces Monogram door handles that can be stamped with personalized engravings like initials or a family crest. **Haute Déco** creates the Monogram handles in Britain using a Cristelle resin, a trademarked formula that looks like pure crystal yet is extremely durable, so it will not chip, and it can, unlike glass, be cast around metal. Multiple stages of hand polishing give the handles a soft glow.
